Whatever You're Planning ... We're at Your Service!

... is a unique concept in private event management. Our professionally trained staff takes over the service details of your event. We go above and beyond usual pre-party preparation and food service.

In true butler style, we are the eyes and ears of your party, attending to the comfort and needs of your guests. We'll handle all the details from taking coats at the door on arrival to bidding adieu, and everything in between.

Our goal is to exceed your expectations, and for you to ...
